No. 46.

BANGALORE CITY MUNICIPALITY.

PROCEEDINGS OF AN ADJOURNED GENERAL MEETING OF THE CITY MUNICIPAL COUNCIL, BANGALORE, HELD ON MONDAY THE 23RD JANUARY 1928, AT 4 P.M., IN THE COUNCIL CHAMBER.

Present ... ... 24 | Absent 6

When the Proceedings of the meeting held on 16th January 1928 were being read, Mr. C. N. Narasinga Rao, Municipal Councillor, pointed out that the following paragraph which had been scored out be restored.—'The President gave a ruling to Mr. C. N. Narasinga Rao's objection that the point raised by Mr. N. Balakrishniah to the effect that the proceedings relating to the business transacted under the Chairmanship of Dr. C. B. Rama Rao be not read at this meeting was in order.'

With the permission of the Council, the above para was restored as a special case, on the understanding that this Course should not be taken as a precedent and that in future the resolutions adopted by the Council be taken in a bound book, read and confirmed by the Council, then and there as required by rules.

After reading the proceedings up to the para '(The President gave a ruling that the subject be taken afresh)' Mr. C. N. Narasinga Rao raised a point of order that the further proceedings be not read and recorded on the ground that the proceedings after this para are null and void, for the following reasons:—

(1) It was an adjourned meeting and the subject should have commenced from the point where it was left at the previous meeting;
(2) That the President having vacated the chair in the previous meeting should not take the chair in this meeting before that subject was disposed of;
(3) That the resolution relating to the allowance proposed by Mr. B. D. Naidu was a fresh one requiring notice, the resolution on the agenda being the consideration of the conveyance allowance and in view of the fact that no fresh subject could be taken;
(4) That the ruling given by the President that the 2nd adjournment motion of Mr. G. B. Raghavendrachar was out of order was wrong;
(5) The ruling of the President in respect of Mr. C. N. Narasinga Rao's proposition to defer the subject pending the decision of the question whether the President had executive functions was further wrong and illegal.

The President gave a ruling that the point of order raised by Mr. C. N. Narasinga Rao is out of order as the meeting referred to by Mr. C. N. Narasinga Rao was legally and properly constituted and ruled that the proceedings be read and recorded.

The proceedings of the meeting were read in full and recorded.

Mr. Razvi proposed and Mr. G. B. Raghavendrachar seconded and carried unanimously that subject No. 12 in the agenda for January 1928, relating to the reappropriation statement of Municipal works tabled for consideration this day be taken up immediately and that after its disposal the remaining subjects of the agenda of December 1927, be taken up.
